Just as benefactors have always been at the centre of arts and culture, our Benefactors are at the heart of our story. Underpinning every aspect of our work, the commitment, dedication and passion we receive from Benefactors echoes that of our dancers on stage.

To say thank you for your incredible generosity you will receive a range of unique benefits so you can experience every step of the creative process. You will see the impact of your support beyond the stage, with opportunities to observe our outstanding learning and outreach work first-hand.
