Benefactors

Terms and conditions

Benefits

Each and every Benefactor donation is vital to ensuring we can continue to do what we do best. Without philanthropic support we would not be able to tell inventive and innovative stories through ballet or take the joy of dance to communities nationwide. Each level of giving offers a range of benefits in return for your generous support.

During these unprecedented times, we remain committed to sharing news and insights with all our Benefactors, keeping you up to date and connected to the Company. To ensure the safety of our supporters and our staff, benefits remain subject to change and may be replaced with digital events as necessary.

- Complimentary tickets are not included in the benefits package for Emerald level Benefactors. Sapphire Benefactors receive one pair of complimentary tickets each year*; in the first instance we recommend using these to attend Northern Ballet's new productions. Diamond Benefactors receive three pairs of complimentary tickets each year*.
- Subject to availability, complimentary tickets can be used at any point throughout the season. Please note we are unable to carry over unused tickets from one year's allocation to the next.
- All Benefactors can access a personalised booking service through the Development Office. You will receive a separate invoice for any tickets purchased in addition to your complimentary allowance.
- Invitations to events include two people unless otherwise specified.
- Access to the Annual Benefactor Dinner is subject to an additional cost for Emerald level Benefactors. This benefit is complimentary for Sapphire and Diamond level Benefactors. The Dinner is currently held in Yorkshire.
- Diamond Benefactors receive unlimited access to rehearsals at Northern Ballet's studios. This applies to rehearsals during the Company's 'home' period at Northern Ballet. Access is at the discretion of the Artistic Director and subject to the Company schedule. Prior notice should be given and arrangements should be made via the Development office.
- As a working ballet company, please note that any events offered may be subject to change or cancellation at short notice, should we be required to make any previously unforeseen changes to the Company schedule.
- Should you wish to, you can upgrade your support at any time throughout the year.

Gift Aid

Our Benefactor levels of support include an amount to cover the cost of the benefits we provide and an additional suggested donation element. The donations we receive from Benefactors underpin every aspect of our work and help make everything we do possible.

- The donation portion is a suggested amount to which Gift Aid provisions apply, which is therefore eligible for tax relief.
- The benefit portion is a minimum payment which represents the overall value of the benefits. This subject to VAT and therefore not eligible for tax relief.
- You may purchase the benefits separately if you prefer not to make a philanthropic donation. Alternatively, you may choose to gift the entire amount of the membership as a donation with no complimentary benefits expected in return, having completed a valid Gift Aid declaration.
- Please note if you would like to make your donation via CAF or via a charitable foundation and take up benefits, payment must be made separately for the benefits portion of your membership as this is subject to VAT.

Direct Debit and payment

You can make your payment by bank transfer, cheque, through CAF or charitable foundation, or by monthly or annual Direct Debit.

If you choose to make your donation by Direct Debit in full annually, we will give you 14 days' notice of your upcoming charge and automatically renew your support after 12 months, unless you notify us otherwise.

Data protection and privacy

In order to make sure you receive all relevant information about our programme and events we will manage your personal information securely, in accordance with our [Privacy Policy](#). Please advise us if your contact details change.
