ABOUT YOUR PIECE

Please note - we ask you to keep your technical requirements simple, this helps to ensure there’s enough time for all groups to have a technical rehearsal before they perform. Bear in mind that all performances have a relaxed format, so please select your music wisely and avoid loud noises/effects that could prove distressing to others. Those submitting film work will not need a technical rehearsal on the day of the performance.

We are unable to accommodate large pieces of set and ask that you only bring handheld instruments/props.
