Who we are

Northern Ballet is a powerhouse for inventive dance, creating and touring narrative dance at various scales nationally and internationally. Bold and confident in our approach, we engage, involve and move our audiences. We reach a diverse range of people through passionate storytelling, a mastery of classical dance technique and an absolute commitment to our leading role as an international ambassador for world-class dance.

Based in Leeds with a major presence in the city, Northern Ballet tours widely across the UK, creating full-length narrative ballets, mixed repertoire, and productions specifically for children.

We have our own studio theatre in our purpose-built facility in the city centre, programming dance from UK and International companies. Our programme is supported by a wide reaching learning programme and professional training routes provided by our Academy.

Northern Ballet is a registered charity benefitting from regular funding from Arts Council England (ACE) and this is an exciting time as we embrace the ACE strategy, Let's Create, whilst developing our own new five-year vision and strategy for the Company. We have recently been successful in securing an uplift to our core grant, which will total £3,289,000 for each of the years between 2023-26.

We also enjoy support from Leeds City Council and are a key part of the Leeds culture offering. During the recent pandemic, Northern Ballet developed its digital strand creating many short and full-length films and we are keen to build on this success.

Northern Ballet has recently appointed a new leadership team with Federico Bonelli in place as Artistic Director, David Collins in position as Executive Director, and Guy Perricone as Chair. The last two to three years have been challenging for most arts organisations, but having come through Covid we have a strong foundation and exciting new leadership to take the company on to new heights of success.

Our Purpose

Northern Ballet tours widely across the UK, sharing stories that connect with audiences of all ages and backgrounds. We invite diverse international artists to bring fresh perspectives to stories old and new and our acclaimed children's ballets introduce thousands of young people to ballet for the first time.

From our work in schools and community settings, through our Academy, inclusive dance programmes and work we create on our stages, we build accessible pathways for new creative voices. We are inspiring the next generation of dancers, choreographers, musicians, conductors and creative teams to develop their craft and forge careers in the creative industries.

We are committed to touring far and wide, but we are also proud of our roots in Leeds, Yorkshire and the North. We are part of the Leeds creative hub and we build partnerships within the cultural, education, public and private sectors to create growth, innovation and opportunity. We are building stronger links to the communities around our home, creating dance for and with people across our city.

Our artform has the capacity to make real impact in people's lives, both physically and emotionally. We invite people of all ages and physical abilities to dance with us and discover the unique joy that dance can bring.

Diversity & Equality

We are proud that 40% of our dancers are from global majority backgrounds and we continue to seek opportunities to further increase diversity throughout the whole Company. We continue with our long term strategy by developing the '[Spotted!](#)' programme at local schools to ensure any child with the potential to pursue a career in ballet is nurtured and supported to do so.

We work to an accessible pricing structure in all venues, with premium tickets available alongside entry prices of around £15. Our Children's Ballets continue to be priced accessibly to reduce barriers to attendance, with an average ticket price of around just £7.

We offer accessible performances for visually impaired patrons through audio described performances in partnership with VocalEyes.

We continue to deliver relaxed performances of Children's Ballets in the Stanley & Audrey Burton Theatre and work with partner venues to encourage and support them to do the same.

At our state-of-the-art studios we deliver [Ability](#), our dance course for adults with learning disabilities and In Motion, our dance course for wheelchair users and each year we hold [Expressions](#), our festival of inclusive dance.

The Academy of Northern Ballet

We offer opportunities for people from all walks of life and of all ages and ability to experience the joy and excitement of dancing. Our [Centre for Advanced Training \(CAT\)](#) delivered in partnership with the Northern School of Contemporary Dance, continues to grow and proves highly successful in providing high quality dance training to young people enabling them to succeed in entering vocational training. CAT graduates from the ballet strand have continued onto training at the Royal Ballet Upper School, English National Ballet School, Central School of Ballet, Royal Conservatoire of Scotland, Elmhurst, the School of Hamburg Ballet and National Ballet of Canada School.

Our [Associate Division](#) offers training in classical and contemporary dance and is a less time intensive course with less focus on progression to a career in dance.

Our [Professional Graduate Programme](#) is an exciting one-year classical ballet finishing course designed to make the connection between full-time training and professional performance.

We also offer a range of Open Classes to children, young people, adults and older people of all backgrounds and ability.
