

Expressions 2025 Performance Application Form

You can complete your application in many different formats. You can find this on northernballet.com available as a Word and a PDF document, which you can complete anyway you wish. The form is also [available on Wufoo](#) and will automatically be sent back to us when you complete it. Please note, you can't save your answers and come back to them using the Wufoo form.

About your piece

Please note - we ask you to keep your technical requirements simple, this helps to ensure there's enough time for all groups to have a technical rehearsal before they perform. Bear in mind that all performances have a relaxed format, so please select your music wisely and avoid loud noises/effects that could prove distressing to others.

Those submitting film work will not need a technical rehearsal on the day of the performance.

Those who would like to combine live performance and film may need to have a technical rehearsal at Northern Ballet ahead of the performance day, to give more time to fit the live and film together. The Expressions project manager will contact you to discuss further.

We are unable to accommodate large pieces of set and ask that you only bring handheld instruments/props.

We ask that work is no longer than seven minutes in length to ensure we can welcome as many pieces as possible. Work shorter than seven minutes is also welcome.

Tell us about the piece you will create, the ideas you will use during the creation process and any themes you hope to explore and in brief, any technical elements you may need us to provide:

For example, projection

Are you applying to perform live or submit a film?*

If you are submitting a film, please tell us more about it – including how it has been filmed, for example using Zoom, with a mobile device etc, and what file format you have the film available in

- Live Film Live with pre-recorded element

Approximately how long is your piece:*

Tell us about your music (what tracks will you use) and whether this will be live or pre-recorded.*

Please note that music produced by Disney and from musicals needs to be discussed with us as soon as possible.

Please let us know which performances you would be available to take part in:*

Tuesday 8 July 7pm

NB: We cannot guarantee your first preference but will do our best to accommodate all requests. If there is a performance you cannot take part in, please indicate above.
