Head of Wardrobe

Department: Technical Department

Reports to: Technical Director

Direct Reports:

- Senior Wardrobe Manager (Administration)
- Senior Wardrobe Manager (Wigs, Hair & Make-Up)
- Senior Wardrobe Manager (Making)

Location: Northern Ballet, Leeds

Contract: Full Time, Permanent

Job Purpose

The Head of Wardrobe is responsible for the strategic leadership, management and delivery of all wardrobe, costume-making, wigs, hair and make-up activities across Northern Ballet's repertoire, both new and existing productions.

The role ensures that the artistic vision of each production is realised to the highest standards whilst maintaining effective budgetary control, operational efficiency and safe working practices. Working closely with the Technical Director, Designers and Creative Teams, the Head of Wardrobe leads the evaluation, planning and delivery of costume and wardrobe requirements from concept through to performance.

A key responsibility of the role is assessing the practical and financial viability of costume, wigs, hair and make-up designs, preparing accurate cost estimates for new productions and revivals, and advising the Technical Director on budget implications and resource requirements.

Key Responsibilities

Leadership and Management

- Lead and manage the Wardrobe Department, both in base and on tour, fostering a culture of excellence, collaboration, innovation and continuous improvement.
- Directly line manage:
 - Senior Wardrobe Manager (Administration)
 - Senior Wardrobe Manager (Wigs, Hair & Make-Up)
 - Senior Wardrobe Manager (Making)
- Set departmental objectives and performance standards and support the professional development of team members.
- Conduct regular staff appraisals, providing constructive feedback, identifying development needs and agreeing clear objectives in line with organisational policies.
- Ensure effective communication and coordination across all areas of the department.
- Oversee workforce planning, recruitment, training and succession planning within the Wardrobe Department.
- Promote equality, diversity and inclusion within departmental practices.

Production Planning and Delivery

- Lead the wardrobe planning process for all productions, revivals, tours and special projects.
- Work collaboratively with designers, choreographers, and other departments to realise production requirements.
- Assess the feasibility of costume, wigs and make-up designs, identifying practical challenges, construction requirements and resource implications.
- Manage the relationship between specialist pointe shoe manufacturers and the purchase of custom pointe for dancers at Northern Ballet.
- Develop production schedules and delivery plans to ensure work is completed to agreed deadlines.
- Oversee the delivery of costume construction, fittings, alterations, maintenance and performance support.

- Ensure the highest standards of costume presentation and performer support are maintained.
- Support the Audiences and Communications Department in the delivery of marketing campaign photo shoots and electronic press kits.
- Support the Development Department in the delivery of Fundraising delivery.

Budget Management and Financial Control

- Prepare, manage and monitor wardrobe budgets for new productions, revivals and touring requirements
- Provide detailed and accurate cost estimates based on design concepts, specifications and production requirements.
- Evaluate design proposals and advise on cost-effective solutions whilst maintaining artistic integrity.
- Identify potential budget risks and develop mitigation strategies.
- Advise the Technical Director on the financial implications of design decisions, material selection, staffing levels and production schedules.
- Produce regular budget forecasts and expenditure reports.
- Ensure all expenditure is effectively managed and remains within approved budgets.

Design Realisation and Technical Assessment

- Review costume, wigs, hair and make-up designs and assess:
 - Practicality for performance
 - Durability and maintenance requirements
 - Construction methods
 - Staffing implications
 - Touring and storage considerations
 - Budgetary impact
- Recommend alternative solutions where designs present operational or financial challenges.
- Collaborate with Designers and Artistic teams to balance artistic ambition with available resources.

Wardrobe Operations

- Oversee costume stock, shoes, wardrobe assets, wigs and make-up inventories.
- Ensure appropriate systems are in place for asset management, maintenance and storage.
- Develop departmental procedures that support efficient operations.
- Ensure all productions receive appropriate wardrobe support during rehearsal, technical and performance periods.
- Maintain high standards of costume care, conservation and presentation.

Health, Safety and Compliance

- Ensure compliance with all relevant health and safety legislation and Northern Ballet policies.
- Promote safe working practices throughout the department.
- Undertake and review departmental risk assessments as required.
- Ensure the safe use, storage and handling of costumes, fabrics, equipment, wigs, cosmetics and specialist materials.
- Maintain compliance with safeguarding, sustainability and environmental policies.

Strategic Contribution

- Contribute to the wider strategic development of the Technical Department.
- Support organisational planning for future productions, capital investment and resource development.
- Attend Production Meetings and Heads of Department Meetings as required.
- Identify opportunities for operational improvement, innovation and efficiency.
- Maintain awareness of developments in costume production, wardrobe technology and industry best practice.
